

VOLUNTEER OPPORTUNITIES

YOUR VOICE ADVOCACY PROJECT WAKEFIELD.

Are you interested in making a difference to the lives of adults with learning disabilities?

Do you have skills to offer a small local project who work with adults with learning disabilities? These can be anything from IT skills, administration skills, group work, one to one case work or just an interest in working with people.

Contact us to arrange an informal discussion about what opportunities may be available for you within the project.

Your Voice is a project supported by Cloverleaf Advocacy, we work with adults with learning disabilities and encourage them to speak up for themselves and have their voices heard.

Travel Expenses will be paid
